Provost as Chair of University Safeguarding Committee

Head of Institute of Education - for issues relating to students

Director of HR – for issues relating to staff

This policy outlines the key principles that the University holds in the context of safeguarding children and vulnerable adults. The definitions of both the terms 'children' and 'vulnerable adults' are defined within the policy. In the event of an allegation of abuse or neglect in relation to children or vulnerable adults, separate [guidance](#) is available to offer support and advice to students and staff on how to record a concern. All concerns should be raised and reported through safeguarding@worc.ac.uk. Further guidance and information can be found on the '[Safeguarding at the University](#)' Webpage
